Dear Josh,

Since writing you about names for a possible future post on the Council, I think it would perhaps be better to avoid those that have served once before, and bring on some new younger blood. In this regard I would strongly recommend a member of the Universities Council here, and a man with business interest in New York and in Canada, Mr. Samuel Belzberg, a graduate of the University of Alberta in Commerce, and President of First City Banking Corporation and many subsidiary corporations. He is a distinguished member of the Universities Council of British Columbia and extremely well disposed to educational and philanthropic undertakings. With his own jet he commutes to New York and would be able to attend 2 meetings a year there I am sure.

I shall send a condensed curriculum vitae on him along with this letter.

With kindest regards,

Yours sincerely,

William C. Gibson, M.D., F.R.C.P.
