Bill Golden

is someone I cherish, I am sure, as much as you do. (He has often spoken of you.) Unfortunately he is not so well known to a wide circle of our colleagues. I am working in ways to ameliorate that. He and I enjoyed sharing honorary degrees at Penna. in 1979, among many other convergences.

If it were up to me

But let's see, over the next (very) few years

Yours,
Joel
