

Memo/Reply From
JOSHUA LEDERBERG

TO: Dr. ^{M.} Green.

DEC 6 1978

✓

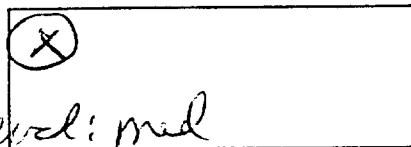

Delays, alas, in getting in.

I am afraid that I tore the rotator cuff (tendon) in my shoulder, and am just now able to write comfortably again. And our house is still 6 weeks short of being finished (in renovations).

But best wishes & I hope to see you after the New Year

Yours,

Joshua Lederberg
