Professor Joshua Lederberg, President  
The Rockefeller University,  
New York,  
U.S.A.

Dear Professor Lederberg,

thank you very much for sending me kindly the requested information on your life in Science. As a former co-worker of Dr.Fritz Lipmann and a fellow of The Rockefeller University I would like to wish you a very fruitful Presidency of this outstanding scientific institution. I hope that sometimes in the future I would be able to visit again The Rockefeller University and would be honoured to know you personally.

Thanking you for your kindness, I remain

Yours sincerely,

/A.A.Hadjiolov/ ✓
