

Memo/Reply From  
JOSHUA LEDERBERG

TO: Dr. Ed Bloustein

Dear Ed,

OCT 29 1979

Has it been a month  
since Sept 25?

All the usual... but better  
lots than never; and I badly did  
want to thank you and Mrs  
Bloustein for a very fine evening.

I particularly enjoyed your  
magnificent way of drawing people  
out (including some who might need  
intrinsic encouragement than myself)  
— that itself I had to mention a  
fine dinner and good company I had  
the trip eminently worthwhile.

Hope to see you again soon.

Yours,  
Joshua
