The Rutgers Sc.D. (h.c.)  
is a badge I would wear with honor,  
and I thank you and the Governors  
includ.

Happily May 21 is also clear on my  
calendar; but many days before and  
after are not. So before I accept the  
article, perhaps I had also be sure of  
the pile, and see what the arrange-  
ments committee has in mind.

Assuming that no real impediment  
is likely.

Look forward to seeing  
you again

John.
