Chou - Palay

is an extraordinary person who visited
me today at Hans Maule's urging.
I think you should see her in re roles
at Harvard in health/science/policy.

She may also be able to be ++ helpful with
107M/N/INRDS research strategy studies

I will call you further about her; but
better still, don't wait to call her that
you can make an appointment (which
she is eager to have) to see her in
Washington.
