Dear Orio & Paola

We could certainly have enjoyed seeing you, especially as we changed our plans, quite late, about going to China, in December. So do let us know the next time you are in N.Y.

Your gifts were marvellous; and the belt does fit! The security fold is good, not so much against muggers but to be sure I have change for a bus or taxi when I go out.

We had a marvellous time with Eric & Elaine, and were happy then that they visited us in N.Y.

all the best  
from both of us,  
John.
