JOSHUA LEDERBERG

PRESIDENT

Dr. Steven Cooper
Department of Microbiology
and Immunology
The University of Michigan
Medical School
6643 Medical Science Building II
Ann Arbor, Michigan 48109

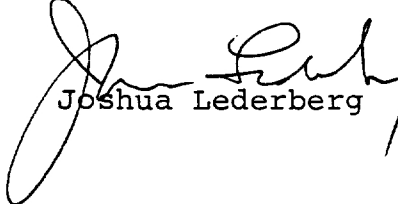

Dear Dr. Cooper:

You do keep sending me unsolicited manuscripts with which I fear I just have no way to cope. You will have to put them in the hands of reviewers who work closely within your own speciality and can provide their own authentic criticism for that purpose.

Please let me know if you would like me to return the papers you have sent or if you would like me to forward them to some else.

With all best wishes.

Yours sincerely,

Joshua Lederberg
