Dear Ted:

I am following up our discussion in Josh's office on the afternoon of June 12 regarding the recruitment of Clinical Scholars.

As we agreed, Kap will be in touch with you and others whom you may designate--and all of us here hope that it will be possible to involve Cornell/NYH in a constructive way as part of a tri-institutional recruitment of young clinical investigators.

Congratulations again on your wonderful new opportunity at Upjohn. No doubt we will be in touch several times before you leave in October--and I hope our paths will cross after that, too. Good luck.

Best regards.

Sincerely,

Rodney W. Nichols
Executive Vice President
