October 8.

Dear Linda

I am so sorry, I still haven't caught up with the mail that backlogged here while I was at Stanford and Yosemite this summer.

Oct. 8 is fine but 9 AM is the earliest I can be sure of now.

(The blooms are open but my morning schedule intersects with my (school) children's). If you let me know where you're staying I might be able to show you on short notice of any possibility of an earlier start. I still would give us half an hour.
