Dear Dr. Lederberg,

on behalf of the Staff Development committee and the group of Collegiate teachers that visited Rockefeller University on November 12, I want to express my appreciation to you for arranging the trip.

It was a fascinating experience for us. Both the animal building and the laboratories that we were shown were most interesting. Our guides were very gracious and patient with our questions as were the professors who explained the work

going on in the various labs.

Thank you for making possible this wonderful opportunity.

I look forward to seeing you at Collegiate in the near future.

Yours sincerely,

Dr. Elaine F. Menkus

Chairman, Mathematics Department
