are probably not a proper R.U.
We are really a research institute,
with 700 faculty and 100 students
(PhD candidates.) But I
certainly do want to keep the lines
open. June Goodfield, whom you
should know, is affiliated here; and
I lunch occasionally with Dick
Sennett at NYC Inst. Humanities.

Unless this puts you off, I
would be delighted to discuss our
mutual interests in more detail.
If you have time for a free lunch,
please call me.

Sincerely,
Joshua Lederberg
