JOSHUA LEDERBERG

PRESIDENT

Phil R. Manning  
South Pasadena, CA.

I am about to leave for Paris to help  
celebrate the centenary of the Pasteur Institute.  
Now I learn from your son, you approach the  
same birthday. It is awesome to contemplate  
what you have witnessed during the first 100  
years of your life.

With warm congratulations,

Sincerely,

Joshua Lederberg
