

Ch. Herzfeld.  
177.

APR 30 1981

Bona ...  
followings.

I'm afraid "creativity" in  
science is at a low ebb today  
a/c

- ① Specialization in face of  
exponential growth of knowledge
- ② Bureaucratization of support  
of academic research —  
annual grants with short  
run objectives.
