Dear Dr. Lederberg;

I know that you will be interested to know that we won the case after a second trial. At the first trial the jury disagreed, six to six. At the second, we won by ten to two.

Sulpha did not enter into the case at all but I felt fortified by having the information at my disposal.

I am not returning to you herewith the Symposium on Sulfonamides due to the possibility that you may have left the above address. On receipt of this letter, let me know where I should send it and I shall have it sent to you immediately.

Cordially,

Norman Winer
