Dear Josh and Esther,

Cu assures me that it is OK for me to join him and the others in visiting you on December 2 and 3. I plan to reach Madison at 9 $\frac{38}{PM}$ on the C&NW ~~at 9:38~~ on Monday evening and would like to stay until Thursday morning - hope you can arrange shelter for me without too much inconvenience to yourselves. Thank you, Esther - I will bring my (alto) recorder, if you are interested.

Sincerely
Seymour Benzer
