Dear Dr. Bacon-

I should be indebted to you for two copies (one for Mr. Zinder) of the two papers on biochemical mutants of *B. typhosum* which appeared in the Dec. 1950 issue of the *Brit. J. Exp. Pathology*. I hope that this investigation is being continued; if so, I would appreciate being on your mailing list for future publications.

Yours sincerely,

Joshua Lederberg,  
Associate Professor of Genetics
