

March 5, 1962

Dr. Jerry Welsner
Special Assistant to the President for
Science and Technology
The White House
Washington 25, D.C.

Dear Jerry:

Thank you for reacting to my comments on the use of satellite communications. If I know you maintain a personal active interest in this direction I can rest assured.

The one contribution I might have made on your scientific manpower panel is embodied in the remarks enclosed. May I ask that they be channeled to it.

Best wishes.

Yours sincerely,

Joshua Lederberg
Professor of Genetics
