Hearts.

Yes, I did discuss it as a
"tragic" dilemma, emblematic of
costly hi-samp technology.

I don't have a copy of my
talk: but the enclosed may
reflect my thinking.

We have very little love on
health care policy. Not quite out
of field.

You do know Bill Lawrence:
we can hardly get enough support
to secure his work.

Hurriedly,

Yours,
J.S.
