

Dr. Larry Aetman

JUN 12 1987

~~5/27/87~~

Dear Larry

What a pleasure to see you,
and rediscover many shared
interests, including history and
journalism.

A couple of days ago, I sent you
some memoris of recent outage.

As you don't have enough to read,
now a few more items, including
a selected 1 or 2 from my journalis-
tic phase.

Hope to see you again soon.
