Dear Mr. Harter:

Thank you for granting the Metropolitan Washington, D.C. Chapter of the National Cystic Fibrosis Research Foundation permission to make reprints of Joseph Lederberg's column, which appeared in the Washington Post on Saturday September 28, 1968, page A-13.

Mr. Lederberg called from Stanford University, Palo Alto, California to give his permission to have reprints made of the above mentioned column, so you will have no repercussions from him.

(Washington, D.C. Chapter)

The National Cystic Fibrosis Research Foundation/ is indeed grateful to you and Mr. Lederberg for your interest and cooperation in our efforts to inform the community about progress and discoveries by doctors and scientists, who are striving to find a control for this devastating disease.

Sincerely,

Hilda E. Garrett
