Professor Joshua Lederberg
Department of Genetics
Stanford University School of Medicine
Stanford Medical Center
300 Pasteur Drive
Palo Alto, California 94304

Dear Professor Lederberg:

Thank you for your kind remarks about the review undertaken by Dr. Allen Bergin and myself. The questions you raise are hard to answer, but despite formidable difficulties, research in this area is by no means impossible. At least, this is my faith.

I enjoyed the clipping from the Washington Post.

Your interest in our work is indeed appreciated.

Sincerely yours,

Hans H. Strupp
