Dear Dr. Lederberg:

How very nice of you to send me a copy of the column in which you described my work! I read your excellent column with great interest every week in the San Francisco Chronicle, but they never published that one, so I very much appreciate your sending it.

As an old admirer of yours, I was delighted that you wrote about my work, and it is a pleasure to send you the enclosed reprints.

Again, thank you for your thoughtfulness in sending the copy.

Sincerely,

A handwritten signature in cursive script that reads "Lucille S. Hurley".
