Dear Mr. Lederberg:

This is to say that I
read your article, in the S.F.
Examiner Nov. 9th with great
interest on the Big Fuss Over
MSG.

Sam 177 - glutamate

Will you please tell me
if MSG (Monosodium Glutamate)
is the same as the
Glutamic Acid tablets you
get at the Health stores.

I will be eagerly look-
ing forward to your answer
and thanking you in advance,
Sam,

Most sincerely
Mrs. Maude Rivers
