DEC 23 1987

Dear Isaac

It is good to hear from you,
and I hope you will be coming to
New York soon. I was in Israel
in 1986; but I have no plans for the
near future.

The news of so much violence in
Lagaz is very distressing. I know
how much fanaticism is being whipped
up from outside Israel. All the more
reason that there needs to be more
concerted effort at economic amelio-
ration.

Best wishes to you,

John.
