Dear Doctor Lederberg:

We acknowledge with appreciation receipt of your affidavit dated September 8. It arrived in proper form and in plenty of time for introduction into evidence in the Public Service Board proceedings. On behalf of Ed Bloustein and myself and our clients, I want to thank you very much for your courtesy in meeting with us on short notice and for your willingness to assist us with the affidavit.

I am enclosing herewith copies of some of the news articles detailing the hearing. They are, more or less, accurate, and I thought you would like to see them. We will, of course, keep you posted on developments in the case.

Again, many thanks for your courtesies and your help.

Sincerely yours,

Harvey D. Carter, Jr.
