United States Senate

COMMITTEE ON COMMERCE

WASHINGTON, D.C. 20510

December 2, 1970

Dr. Joshua Lederberg
Stanford Medical Center
Palo Alto, California

Dear Dr. Lederberg:

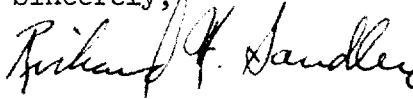

Senator Pastore agreed to delete section 11 of S. 4141 last evening. The bill was passed, less section 11 this afternoon.

Enclosed find S. 4141 and a letter sent by Senator Hart to his colleagues.

When my ideas for an adversary proceeding on the biological and genetic risks of the present radiation standards get better developed, I shall contact you.

Thank you for your cooperation.

Sincerely,

Richard H. Sandler
