Bonner family archives.

I was so pleased to see this note
in the AIP/CHP newsletter.

It was very distressing to hear
from UC/SD Biology a few years ago
that they had "lost" David M's papers
after a desultory effort to preserve them.
If you have any better word, I would be
delighted to hear it.

1. I thought you might wish to have
copies of my own correspondence
with David — enclosed.

2. Does your collection include
any material from David that
