Yale Archives

Could you check to see if that recording is still extant?

While you're at it, have EW Sinnott's papers been catalogued?

If so, can you collect what there might be on EW's coming to Yale ca. 1946 and his return to Stanford '47-48?

Finally, lowest priority, is there anything on me, ≤ 1950 , in his papers?

Thank you
JK
