Dear Professor Lederberg:

I am sending you enclosed a paper by H. Brown, L. Masinter and L. Hjelmeland "Constructive graph labeling using double cosets".

May I ask you to have the kindness of refereeing it or having it refereed for DISCRETE MATHEMATICS.

Needless to say how much indebted I will be to you if you could take up this matter and inform us at your earliest convenience about your opinion.

Sincerely yours,

Peter L. Hammer
