Dear Joshua;

Thanks for the note. I'll bring the capillaries; but the eggs wouldn't travel so well.

Concerning the room, could I stay in the hotel on Wednesday & Thursday, and with you and Esther on Friday night? By Friday my obligations would be over and I could be a relaxed guest.

If this would suit you both, I'd like it very much.

And, by the way, I do not have to take a plane at the crack of dawn on Saturday. I'm sure the reservation could be changed later in the day.

Will see you Wednesday,

Bob

P.S. Have changed my return reservation to Thu on Sat. from Madison
