Book Find Club,  
New York, N. Y.

Gentlemen:

Thank you for sending your last issue of Book Find News, which I assume implies my reinstatement as a Club participant, on the basis of shipment at my specific request only.

At this time, I would like to purchase Boyd's "Genetics and the Races of Man", @ 1.89 plus .24 and the dual selection, Don Quixote, @ 3.78 plus .24. My check for 6.15 is enclosed.

Last Spring, you allowed a discount equivalent to the shipping charges for advance payment. If this arrangement is still in effect, I would like to know about it. If my check, on this basis, is drawn for too large an amount, please credit the surplus to my account, which I will supplement upon hearing from you.

Sincerely,

Joshua Lederberg
