Dear Dr. Levinthal:

Thank you for your letter of April 7, 1975. I am very pleased that the SUMEX-AIM Executive Committee has extended to us the availability of SUMEX to August 31, 1975.

Concerning the status of our grant application to HEW, we had our site visit yesterday (April 15, 1975) and expect a funding decision from HEW sometime during the summer. In the event of a favorable decision, we will apply to the SUMEX-AIM Executive Committee for a continuation of a grant for SUMEX resources.

Yours sincerely,
