

STANFORD UNIVERSITY
STANFORD, CALIFORNIA

DEPARTMENT OF BIOLOGICAL SCIENCES

January 9, 1957

Professor J. Lederberg
Department of Genetics
University of Wisconsin
Madison, Wisconsin

Dear Josh:

Here is the inventory you requested. I hope this will give you an adequate idea of what is available and what you will need if you decide to accept the position here at Stanford.

Please let me know whether I can be of any further assistance.

Best regards to Esther.

Sincerely,

Sam
