Dr. Kenneth S. Pitzer, President
Stanford University
Stanford, California 94305

GB-8739
Renewal of GB-4430

Dear Dr. Pitzer:

It is a pleasure to inform you that \$30,000 is granted to Stanford University for "A Program in Genetics and Molecular Biology." This grant is under the direction of Joshua Lederberg, Department of Genetics, School of Medicine. It is effective June 1, 1969 for a period of approximately two years.

Expenditures under this grant are to be included within the limitation established for your institution by the Foundation's letter to you in furtherance of the Important Notice dated June 26, 1968. The Foundation has not made any adjustment in the budget of this grant because of the expenditure limitation.

The Foundation requires that this grant be administered in accordance with "Grants for Scientific Research," June 1963 (as amended December 1963 and supplemented by Important Notice of January 24, 1966), Enclosure R-8 (Rev. 4/68), and the attached budget summary.

Please acknowledge acceptance of this grant under the above terms and include in your acknowledgment a reference to the grant number.

Sincerely yours,

Louis Levin
