Dr. Joshua Lederberg
Dept. of Genetics
Stanford University Medical School
Palo Alto, California

Dear Dr. Lederberg:

We wish to obtain a culture of E. coli W-1485 ^{F+Lp^S prototroph}
for our collection and would appreciate receiving a
transfer of this culture from you at your convenience.

Thank you for any help you are able to give us.

Sincerely yours,

(Miss) Lois M. Swaney
