Sofia, 8.3.1965.

Dr. Esther Lederberg

Department of Genetics, Calif., USA.

Dear Colleague,

we address ourselves to You with the request to send us, if possible, the strains: E.coli B (W 4516) thimin deficient and E.coli B radioresistent.

Thanking You in advance for Your kindness, we beg You to accept our best regards.

Trouly Yours,

Director:

(Prof Sv. Bardaroff Dr.m.)

→ W 4516 E. coli strain B thy⁻
(maintainance of the genome to avoid
selection of thy⁺ reversions).

OK 6/65
