Dear Doctor Lederberg:

Thank you for meeting with me this week. I enjoyed the opportunity to discuss our program with someone who understands both the politics and the science. Thank you for agreeing to serve as an advisor to this Command and assist me in developing a long-term strategy for our BW Defense Program.

I look forward to hearing from you and learning your suggestions on other potential advisors in this area.

With best wishes for the Holidays,

Sincerely,

Philip K. Russell  
Major General, Medical Corps  
Commander
