

Mrs. Pamela Henman
Washington DC
9/25/92

Passing the word.

Dear Pamela -

We would appreciate your good
office in communicating this
memo to the Clinton transition
teams. The most urgent items
is tabbed - page 9 - being
prepared early to fill the
"prune" vacancies.

We'll be glad to forward
copies of the "Prune" Books.

Yours, affectionately,
Joshua.

P.S. I introduced Henman
Warren to you. She has been
quite active in the campaign.

After the election
she may call you for help in
contacting some people she
has reason to think might
be helpful to my own ^{at RU} lab.
She won't be a burden.

Hope to see you again soon.
