

Personal Memo from  
JOSHUA LEDERBERG

Jade Gibbons  
10/23/89

Counter terrorism t y.

Plod to see this body R + D  
in this area is unfunded.

I've been on an oversight panel  
for the TSWG mentioned on p. 7.  
(I thought its very existence was  
classified.)

I'd be glad to help as liaison, or  
on your own advisory panel if you  
wished.

Do be sure to contact Drew  
Fahrenwald at CRDEC - Edgewood.
