

GENETICS SOCIETY OF AMERICA

OFFICE OF THE SECRETARY

BROOKHAVEN NATIONAL LABORATORY

UPTON, L. I., NEW YORK

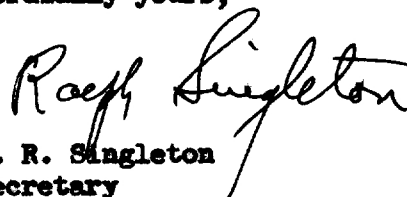

June 13, 1952

Dr. Joshua Lederberg
University of Wisconsin
Madison 6, Wisconsin

My dear Lederberg:

You are the "peoples choice" to run for the position of committeeman on the Public Education and Scientific Freedom Committee. This, as you know, is a three year term. I hope it will be possible for you to run this time although you declined last year. There will be no one else from the University of Wisconsin running this time as there was last year. The other nominee will perhaps be L. J. Stadler if he accepts, and if not, we will have to secure an alternate for him. However, you received the most votes of the members of the Society and I feel sure that the Society members wish you to be a candidate for this office. Will you kindly accept and allow your name to be placed on the ballot which will be mailed to the members sometime in July.

Cordially yours,

W. R. Singleton
Secretary

WRS:ia
