

Dear Jim —

This paper is still great fun to think about, and I trust you'll understand and remember why I picked it out.

Yours fondly,
Joshua

ISOLATION OF PRE-ADAPTIVE MUTANTS IN BACTERIA

11/26/85

THE ROCKEFELLER UNIVERSITY

1230 YORK AVENUE

JOSHUA LEDERBERG

PRESIDENT

November 1985

Dear Jim

It is approaching 40 years since we first met at Cold Spring Harbor.

How well I remember how quickly you grasped the then arcane experiments on crossing bacteria, and when from it was for me to broaden my education in genetics at your hands.

all the best,

Joshua
