

2/23/74

* Forest Frank quotes

xx Spurgeon Keeney re me
at Columbia (? ~ 1942):

" Biology is the challenge; we
have gone all the way in
Physics; now biology has to
catch up. "

2/02

* IDA

xx Arms Control Ass'n. Columbia classmates.
or now at NAB

Personal memo from
JOSHUA LEDERBERG

JUL 20 2002

S. Kennedy

also recalls for me - as
Columbia classmate -

How I "doctored" him, prescribing
 NaHCO_3 for an acid stomach.

I see him occasionally
