Paris 5, France.

Dear Latarjet:

I am quite sure that we can work out the arrangements for you to visit here June 10, and in particular a reimbursement of your travel expense from Cleveland. However, as the details are not yet worked out, it would be best if you could call from C.S.H. I am at extension 4217; the University phone is Madison, 5-3311. You would do best to call person-to-person.

I shall be looking forward to seeing you.

Sincerely,

Joshua Lederberg
