Department of Genetics,  
University of Wisconsin,  
Madison, Wisconsin, U.S.A.

Dear Dr. Lederberg,

Thank you for the reprints which you  
recently sent to me.

I am particularly interested in the  
further success of your transduction experiments  
as shown in the addendum dated November 20th, and  
I hope that you will continue to send me reprints  
of future articles as they become available.

Yours sincerely,
