Dear Lool and Esther,

It's slipped away before I'd  
realized it. This is just a brief line to thank  
you for the very enjoyable weekend, not forgetting the  
trip over the lake. I do hope you fit in the visit  
~~trip to~~ <sup>Europe</sup> ~~the~~. When you come to Cambridge you must  
stay with us - just drop a postcard. Odile is  
very curious to know what you look like.

Remember me to Wood Hole - are the  
Littles there?

Yours ever,

Frank
