

1955

Josh,

You might like to glance  
at this manuscript - I told  
you of it a short time ago.

I'd like to discuss it with you.

I shall be writing to Carr in  
a few days.

Sue is addressing 'the League  
of Women's Voters' (very subversive!)  
for the second time running tonight  
so we want come with you.

Pete.
