AIR MAIL

Dr. Joshua Lederberg
University of Wisconsin
College of Agriculture
Madison 6, Wisconsin

Dear Josh:

I enclose a manuscript which has been ~~accepted~~ accepted for publication by the "Journal of Bacteriology", on which I would welcome your critical and helpful comments. I hope you do not object to my including the reference to your paper which I saw in manuscript copy a few weeks ago.

The enclosure is the only laboratory copy, and I would be grateful for its return.

Cordially,

Harry Eagle, Chief
Experimental Therapeutics
National Microbiological Institute
