Professor J. Lederberg
Department of Genetics
University of Wisconsin
Madison, Wisconsin

Dear Professor Lederberg:

In our book on "Great Experiments in Biology", designed for use as a textbook, scheduled for publication by Prentice-Hall, Inc., 70 Fifth Avenue, New York, in Spring 1955, we wish to make use of your publication "Gene recombination in the bacterium *Escherichia coli*" from the J.Bact. 53:673-684.

A release form is given below for your convenience. Please note that we have indicated the credit line to be used. You may sign and return the enclosed copy of this letter. We agree to give full acknowledgment in the manner indicated below.

Your consideration of this request at your earliest convenience will be greatly appreciated.

Very truly yours,

Mordecai L. Gabriel

Seymour Fogel

I hereby grant the permission requested on the terms stated in this document.
